Rotary Foundation Polio Eradication Goal: What Districts & Clubs Can Do

Dear Governor, Below is a letter received relating to the Gates Grant, and answers to some questions. I encourage you to read the letter and, where appropriate, forward it on to your clubs. Please note transfers from DDF to PolioPlus Partners will receive, until June 30, 2008, a 50% match AND be counted toward Rotary's match of the Gates Challenge Grant. All amounts transferred between now and June 30, 2008 will get the greatest "bang for the buck". I am available to help with PolioPlus Partners and the Gates Challenge Grant.

Sincerely, Dan Mooers, PRID, Zone 31 Coordinator, PolioPlus Partners Task Force

Dec. 2007, On 26 November a worldwide announcement was made about the \$100 million challenge grant to our Rotary Foundation from the Bill & Melinda Gates Foundation. Rotary has stepped forward to meet the terms of the challenge grant to raise a total of US\$100 million in matching funds over a three-year period beginning 1 January 2008. The Rotary Foundation Trustees and the Board of Directors of RI have endorsed the conceptual plans to raise the matching funds. After the International PolioPlus Committee (IPPC) meeting in January, we will come back to you with more information. In the mean time, we are almost half way through this Rotary Year and we must stay focused on the goals of the 2007-08 PolioPlus Partners Challenge in an effort to provide full funding for all the projects on the Open Projects List. Goals of the 2007-08 PPP Challenge are:

1. Ask for 100% participation from all Rotary districts to allocate minimum of 10% of their District Designated Funds.
 2. Ask all Rotary clubs, districts, Interact & Rotaract clubs to have a club program for PolioPlus Partners by March '08.
 3. Request district leaders to encourage clubs chartered after 1 July 2003 to consider making a club contribution to PPP.
 4. Request zone, district, club leaders to encourage new members after 1 July '03 contribute to global polio eradication.
 5. Encourage Rotarians that view PolioPlus as their primary Rotary interest to make another contribution to PP Partners.
- Several questions have surfaced in regards to the status of PolioPlus Partners program funding in light of the Gates Foundation Challenge grant. Please use the following statements to address these questions:

- Cash and DDF donations to PolioPlus Partners, effective 1 December 2007 through 30 June 2008, will be counted towards matching the Gates Foundation Challenge Grant.
- 2007-08 cash and DDF donations to PolioPlus Partners will continue to be matched US\$.50 for every \$1.00 contributed, up to US\$1.5 million.
- PolioPlus Partners is counting on the Task Force's 2007-08 fundraising efforts to provide full funding for all project requests this year.

The Trustees are doing their part by providing a matching fund incentive, the Bill & Melinda Gates Foundation have demonstrated their commitment, and it is our responsibility to seek support for PolioPlus Partners project requests from fellow Rotarians in polio endemic, importation and high-risk countries immediately. Together, we will reach our funding goal of at least US\$5 million. Your continued regional, district and club communications will help us reach this goal. *Sincerely, Charles Keller, Chair, PolioPlus Partners Task Force; and Louis Piconi, Co-Chair, PolioPlus Partners Task Force; Past President, Rotary International Trustee*

December is Family Month, a time when we pay special attention to our emphasis on the family of Rotary. When I speak about this, I'm often asked to explain just what the family of Rotary means and why it's included as an emphasis. When you put the family of Rotary idea next to such enormous needs as nutritious food and clean water, it might seem much less important. After all, as Rotarians, we're here to help everyone and look out for all those who need us. We don't just look after our own – that's not what Rotary is about.

As Rotarians, we do have a great responsibility to make sure Rotary's good work doesn't end with us. Rotary does so much that is so important in so many ways: providing water to the thirsty, food to the hungry, medical care to the poor and sick, education to the illiterate. It's been doing that for more than 100 years now.

But if we focused all our attention on nothing but that lifesaving and life-altering work, then that work would eventually come to an end. Rotary would die out in a generation if we did not also pay attention to the health of our own organization - our members, our clubs, and those who will join our clubs in the years to come.

One reason I've always felt so at home in Rotary and with the idea of the family of Rotary could be that I come from a large family myself. I'm one of 10 children – six girls and four boys. But as big as my family is, it's nothing compared with Rotary. We're not just 1.2 million Rotarians in 32,000 clubs. We're 250,000 Interactors, 170,000 Rotaractors, 150,000 Rotary Community Corps members and, in the last year alone, about 8,000 young people in Rotary Youth Exchange.

And, of course, we also include the spouses, widows and widowers, and children of Rotarians. Altogether, the family of Rotary is well over two million strong.

Our family is strong because it's close, and because it's always forming new ties. We need to ensure that Rotary keeps growing – in all the branches of our family. We should always be looking for and inviting qualified men and women to join our clubs. - *President Wilf Wilkinson*

CONGRATULATIONS to the Oswego & Oswego Sunrise Rotary Clubs for being the first Chartered ROTARACT Club in District 7150! It was a thrill for all involved to receive the official approval letter from Rotary International.

The ROTARACT program is for young people ages 18-30, those who are in college or of college age. With so many university and college campuses in our district, we have an opportunity to add many Rotaract Clubs. Check the Rotaract page on our website at www.rotarydistrict7150.org/Rotaract.htm or Contact District Chair Eva Brodehl for more information. RI does not charge a fee to Rotaract or Interact clubs to certify/charter with RI. However, there is a one-time only \$50 organization fee for Rotaract clubs that must be submitted along with the Organization List.

D-7150 Youth Programs:

Our District is doing a great job with all of our Youth Programs. In addition to our Rotaract Club now formed with the Oswego RC's, Cazenovia RC's College and Club representatives have met with their college students, and their paperwork is almost ready!

Here in District 7150 we have eleven EarlyAct Clubs, eight Interact Clubs (with more in the process of forming!).

Interact is Rotary Intl's service club for young people ages 14-18. Sponsored by individual Rotary clubs, which provide support and guidance, Interact clubs are self-governing and self-supporting. As one of the fastest-growing programs of Rotary service, with more than 8,600 Interact clubs in some 110 coun-

tries and geographical areas, Interact has become a worldwide phenomenon. Interactors also often spearhead the formation of Rotaract clubs, participate in Rotary Youth Leadership Awards (RYLA), and often go on to become Youth Exchange students or Ambassadorial Scholars.

Every community with a Rotary Club has the ability to start either a school-based or community-based Interact Club. Several clubs are already looking into this possibility. Check out the Interact page on our District website at www.rotarydistrict7150.org/Interact.htm or contact District Chair Dick Kahler, Rome RC.

Our EarlyAct™ Clubs have young people doing neat service projects. Although, not yet a program of RI, EarlyAct™ is under the RI umbrella, with its own constitution and bylaws. The elementary-aged student is the perfect age to learn about Rotary ways and values. Check the EarlyAct page on our website at www.rotarydistrict7150.org/EarlyAct.html or Contact District Chair Don St. Louis, Utica RC.

Many Clubs participate in a "Student of the Month" program where they invite high school seniors to attend their meetings for one month so these young people can experience a little of Rotary, a source of future Rotarians.

Celebrating its fiftieth year in 2008, Youth Exchange enables over 8,000 young people annually to live in a culture other than their own, thereby changing both their lives and the lives of their hosts. From a world peace and understanding perspective, this is Rotary's flagship youth program. This year, thirty-

one students from various countries join us for a year of study and cultural adventures. Many thanks to the clubs that are hosting these students. Our outbound students are being hosted in countries around the world. They become true ambassadors for our district. To find out how you can get involved with our Youth Exchange program, view our YE website at www.rotarydistrict7150.youthexchange.org or contact YE Chair Mary Stronach of N.Utica/Whitest RC.

Rotary Youth Leadership Award continues its strong and progressive school year program. Observing the growth and change in the young people involved in last year's program was a very rewarding experience for the Rotarians who participated. The student's involvement in Rotary ways and values includes incorporating the 4-Way Test into their schools, starting Interact Clubs and preparing to become Youth Exchange students.

The 2008 RYLA Seminar will be held July 11-13 at Cazenovia College. Check the RYLA page on our district website at www.rotarydistrict7150.org/RYLA.htm or contact Co-Chairs Larry Richardson, Chittenango RC or PDG Herb Jerry, Eastwood RC.

Whatever the means, the question becomes, how are we teaching our own children or other young people the ways of Rotary, exposing them to the ideals and practices of Rotary International, so that they might become the new Generation of Rotary.

Perhaps one of them might even become the newest Rotarian in your Club!

TRF Chair Dr. Bob's Message: "Peace is Possible"

To write or talk of peace when so many are on the front lines of battle and in harm's way is very difficult. Yet as Rotarians, with our Rotary Foundation working for peace through educational and humanitarian programs, it is our duty. If we don't, who will?

In June, the Foundation sponsored its first Rotary World Peace Symposium, spotlighting the students and graduates of its peace studies programs. 175 current participants and alumni joined us in Salt Lake, demonstrating their enthusiasm. 100's of

Rotarians met these dedicated peacemakers, impressed by their commitment, knowledge, and all they have accomplished during their relatively short careers.

The four classes, 230 peace fellows, have graduated from the Rotary Centers for International Studies in peace & conflict resolution, and already are making a difference. Miho Kishitani is managing reconstruction efforts in Iraq. Stefano Gnes is helping communities in Indonesia cope with political turmoil. The list goes on.

Name a part of the world facing

conflict or strife, and you're likely to find Foundation alumni there, working to reach a lasting peace beneficial for all. To see results so quickly is heartening and inspiring.

We can all take pride in the far-reaching effects of our peace studies programs. That's why our continued support is crucial. I encourage all Rotarians to consider making a gift that will help us fully endow the Rotary Centers and nominate promising candidates as future peace fellows. Acting now, we can ensure every year, a new class of peacemakers sent out to make our world little less troubled.

Rotary Foundation Honors generous support of Paul Harris Fellow, Society & Major Donors.

During the past 50 years, over a million people have contributed US\$1,000 or more to The Rotary Foundation, earning the designation of Paul Harris Fellow – named after Rotary’s founder. These donors range from big-city corporate executives to small-town teachers. For many, \$1,000 is no small sum. This milestone represents a total of US\$1 billion that has been at work making a profound difference in peoples’ lives around the world since the first Paul Harris Fellow was named in 1957. Paul Harris Fellows and gifts

they represent enable Rotary to be one of the great humanitarian and educational foundations working for world peace & understanding.

The Paul Harris Society was established in 1998 and was officially approved by the Trustees of the Rotary Foundation in 2006. This is a special District Recognition program for Rotarians who wish to support the Rotary Foundation in a more substantial way each year.

The Paul Harris Society

recognizes Rotarians and friends of the Rotary Foundation who annually contribute \$1,000 or more to the Foundation. PHS Members agree to annually contribute \$1,000 to the Foundation’s Annual Programs Fund, Polio Plus, or Humanitarian Grants, earning Major Donor credit.
