Dear family of Rotary,
In 2004, The Rotary Foundation embarked on a new venture to boost its ability to do good in the world.

The goal was to encourage every Rotarian to support Foundation programs by giving at least US\$100 to the Annual Programs Fund every year.

We've come a long way since the Every Rotarian, Every Year (EREY) effort began. Contributions to the Annual Programs Fund have nearly doubled – from \$55.8 million in 2002-03 to a record \$102.5 million in 2006-07.

But reaching the 2007-08 Annual Programs Fund goal of \$120 million is not merely about every Rotarian donating \$100. It's about each of us generously giving to the best of our ability. For some Rotarians, that amount might be \$100, for others \$1,000, for still others \$10,000.

By raising the bar for support of our Foundation, we can guarantee that its educational and humanitarian programs will be available to more people than ever before.

More students will become Ambassadorial Scholars, and many more young professionals will take part in a Group Study Exchange.

Increased donations will give greater access to safe drinking water, food supplies, and health care. Imagine once-malnourished children becoming doctors, newly literate people becoming teachers, and those in conflict areas becoming peacemakers.

Learn how Rotarians are turning EREY into high-energy fuel for the Foundation's programs by subscribing to the free Every Rotarian, Every Year newsletter.

Let's open this promising pipeline of help even further to a hurting world, bringing with it greater hope for understanding and peace.

Dr. Robert S. Scott, Trustee Chair, The Rotary Foundation, 2007-08

NOTE: For the first time, our District will be honored to have Trustee Chair Dr. Scott as the Key-note Speaker at our Foundation Celebration Dinner May 29th, 2008

Let's do our district up proud with our Annual Giving, Paul Harris Fellow Recognitions, Paul Harris Society Members & Major Donors!

UPDATE: We met with Bob Hood and are working on our Haiti Matching Grant Water & Community Enhancement Project. Our TRF Dist Committee & our AG's have DVD's of the work Bob has done in Haiti. We'll be sharing more news about this exciting District project soon!

2007-08 District Governor Marlene B. Brown and 2007-08 Rotary International President Wilfrid Wilkinson, Canada

PROGRAMS:

PolioPlus –Rotarians have mobilized by the hundreds of thousands to ensure children are immunized against this crippling disease and that surveillance is strong, despite the poor infrastructure, extreme poverty, and civil strife of many countries. Since the PolioPlus Program's inception in 1985, more than two billion children have received oral polio vaccine. To date, 210 countries, territories and areas around the world are polio free and 134 of these have been certified. To date, Rotary has committed more than \$633 million to global polio eradication. 2006-07 expenditures \$23.7 million. *includes PolioPlus Partners grants*

PolioPlus Partners is a program that allows Rotarians to participate in the polio eradication effort by contributing to specific social mobilization and surveillance activities in polio-endemic countries. As of 30 June 2007, over 6,000 clubs in 502 districts have contributed to 470 PolioPlus Partners projects, supporting National Immunization Days and other polio eradication activities around the world.

Over 1,500 grants have been awarded to 473 districts in 64 countries totaling more than \$21 million. In 06-07 379 grants were approved with expenditures of \$5.1 million.

This program began in 2006-07, and 202 grants were awarded to support travel to 47 countries. Program awards were \$1.0 million.

Solidarity in South Asia. Shortly after the deadly tsunami struck south Asia on 26 December 2004, The Rotary Foundation established the Solidarity in South Asia fund to assist Rotarians in supporting long-term recovery efforts in affected communities. In 2006-07, program expenditures were \$0.1 million.

Disaster Recovery. Created in 2005-06, this program allows Rotarians to contribute funds in response to specific disasters. During 2006-07, TRF administered three Disaster Recovery sub-accounts: Hurricanes Stan and Wilma (Guatemala and Mexico), Hurricane Wilma (USA) and Earthquakes in India and Pakistan.

Rotary World Peace Fellowships. Each year up to 60 fellows are sponsored to study at one of the six Rotary Centers for International Studies in peace and conflict resolution for a master's level degree. Scholars study in a country other than their own where they serve as unofficial "ambassadors of good will." Since 1947, more than 38,000 scholars from over 100 countries have received scholarships at a cost of more than \$490 million. In 06-07, 822 scholars from 50 countries studied in 80 countries with awards of \$13.9 million.

Program awards were \$0.4 million.

Group Study Exchange (GSE). These annual awards are made to paired Rotary districts to provide travel expenses for a team of non-Rotarians from a variety of professions. Rotarian hosts organize a four-to-six week itinerary of vocational, educational and cultural points of interest. Since 1965, more than 57,000 individuals (about 12,000 teams) from 100 countries have participated at a cost of more than \$96 million. In 2006-07, 558 teams traveled abroad. Program awards were \$4.3 million.

R. I. P.'s Message: The Rotary Foundation is the engine that drives Rotary's international humanitarian service. Without the Foundation, there would be no PolioPlus, no Humanitarian Grants, no Ambassadorial Scholarships, no Rotary World Peace Fellowships. Without the Foundation, Rotary would be a very different and less powerful force for good in the world. As Rotarians, we give generously, yet we gain so much more: the pleasure of helping others, the satisfaction of knowing that we're doing the right thing, the joys of fellowship and friendship. As club members, we gain the global power of Rotary in our service – the power of more than 1.2 million Rotarians all over the world, each a potential partner in our projects.

I call on every Rotarian to choose this month to make your annual gift to the Foundation & every year to come. I take this commitment very seriously myself; my wife and I have contributed at the Major Donor level, and all our children are Paul Harris Fellows. As RI president, I feel a special responsibility to promote Every Rotarian, Every Year, which has been so successful in increasing support for our Foundation. I'm confident this year we can meet our goal of US\$120 million. an average gift of \$100 a Rotarian.

A basic principle of Rotary is we can do much more together than we could ever do alone. The Foundation allows us to pool resources and reach heights of service that would be unattainable otherwise. The Foundation is there for all of us, and it's our responsibility to be there for it. - *President Wilf*

They touched all of our lives and hearts.

Applications are due to DG Marlene by Nov. 21st for she & the committee to interview & choose the District 7150 Team Leader who will lead a team to India from Jan. 27th to Feb. 26th, where they will reunite with this team at their Conference! Forms: www.rotarydistrict7150.org/GSE-07_India.htm

During November's World Interact Week, Interactors and Rotarians worldwide commemorate the charter of the first Interact club in 1962. By completing four designated projects, Interact clubs and their Rotary club sponsors can receive special

recognition from RI.

World Interact Week projects: 1)

- 1) Give a presentation, or write an inspiring letter about Interact, to a Rotary club that doesn't sponsor an Interact club.
- 2) Invite Rotarians to an Interact club meeting.
- 3) Invite Interactors to a weekly Rotary club meeting.
- 4) Conduct a joint Rotary/Interact project to increase awareness of Interact in the community.

Our District is doing a great job with our Youth Programs. Here in District 7150 we have eleven EarlyAct Clubs, eight Interact Clubs (with four more in the process of forming!) and six Rotaract Clubs - forming for the first time in our District! Oswego & Cazenovia RC's College and Club representatives have met with their college students, and their paperword is ready for R. I.!

Interact is Rotary Intl's service club for young people ages 14-18. Sponsored by individual Rotary clubs, which provide support and guidance, Interact clubs are self-governing and self-supporting. As one of the fastest-growing programs of Rotary service, with more than 8,600 Interact clubs in some 110 countries and geographical areas, Interact has become a worldwide phenomenon. Interactors also often spearhead the formation of Rotaract clubs, participate in Rotary Youth Leadership Awards (RYLA), and often go on to become Youth Exchange students

or Ambassadorial Scholars.

Every community with a Rotary Club has the ability to start either a school-based or communitybased Interact Club. Several clubs are already looking into this possibility. For more information contact District Chair Dick Kahler, Rome RC.

Our EarlyAct™ Clubs have young people doing incredible service projects. Although, not yet a program of RI, EarlyAct™ is under the RI umbrella, with its own constitution and bylaws. The elementary-aged student is the perfect age to learn about Rotary ways and values. Contact District Chair Don St. Louis, Utica RC.

The ROTARACT program is for young people ages 18-30, those who are in college or are of college age. And with

so many university and college campuses in our district, we have an opportunity to add many Rotaract Clubs. Contact District Chair Eva Brodehl for more information. *A member of our District's eClub, Eva traveled in from Munich, Germany for our Dist Conference!*

There are also many clubs participating in a "Student of the Month" program where they invite high school seniors to attend their meetings for one month so these young people can experience a little of Rotary. This might also be a source of future Rotarians.

Celebrating its fiftieth year in 2008, Youth Exchange enables over 8,000 young people annually to live in a culture other than their own, thereby changing both their lives and the lives of their hosts. From a world peace and understanding perspective, this is

Rotary's flagship youth program. This year, thirty-one students from various countries join us for a year of study and cultural adventures. Many thanks to the clubs that are hosting these students. Our out-bound students are being hosted in countries around the world. They become true ambassadors for our district. If your club wants to find out more about how you can get involved with our Youth Exchange program contact YE Chair Mary Stronach of N.Utica/Whitest RC.

Rotary Youth Leadership Award continues its strong and progressive school year program. Observing the growth and change in the young people involved in last year's program was a very rewarding experience for the Rotarians who participated. The student's involvement in Rotary ways and values includes incorporating the 4-Way Test into their schools, starting Interact Clubs and preparing to become Youth Exchange students. For more information about this year's program contact Co-Chairs Larry Richardson, Chittenango RC or PDG Herb Jerry, Eastwood RC.

Whatever the means, the question becomes, how are we teaching our own children or other young people the ways of Rotary, exposing them to the ideals and practices of Rotary International, so that they might become the new Generation of Rotary. Perhaps one of them might even become the newest Rotarian in your Club!

While we are celebrating our newest generations, let's remember Millennium Kids, Gen-Xers, Boomers and traditional Rotarians among us. Each brings their own ideas, values & needs to our clubs.

District 7150 Conference Business Meeting Elections / Voting

As requested by Rotary Int'l, *your Governor issued a call for nominations from District Clubs for two positions which needed to be filled this Rotary year.*

One was Representatives for the 2010 Council on Legislation, who must be selected in the Rotary year two years preceding the Council. The other was the selection of the Zone Nominating Committee for Director member, Committee Member & Alternate.

Conference Club Delegates & Alternates were requested to cast votes for those nominated. Two

nominations were submitted to the Governor as required.

PDG Jerry Gortner was elected as our District's representative to the 2010 Council on Legislation. PDG Ward Vuillemot was elected as our District's representative on the Zone Nominating Committee.

Also at the District Conference Business Meeting, our new District 7150 Bylaws were unanimously adopted. These District Bylaws repealed all prior procedures, including but not limited to, the Rotary International District 7150 Administrative Procedures Manual,

and became effectively immediately upon the adoption. Copy of new Bylaws can be found on our district website.

59 enactments were adopted by the 2007 Council, several affecting our Clubs and District. One is the need for club president-elects to attend PETS and Dist Assembly. Another concerned membership attendance & makeups. Another dealt with an increase in per capita dues beginning in 2010-11. RI sent each club a copy of the 2007 "Report of Action".

Rotary Foundation Honors generous support of Paul Harris Fellow, Society & Major Donors.

During the past 50 years, over a million people have contributed US\$1,000 or more to The Rotary Foundation, earning the designation of Paul Harris Fellow – named after Rotary’s founder. These donors range from big-city corporate executives to small-town teachers. For many, \$1,000 is no small sum. This milestone represents a total of US\$1 billion that has been at work making a profound difference in peoples’ lives around the world since the first Paul Harris Fellow was named in 1957. Paul Harris Fellows and gifts

they represent enable Rotary to be one of the great humanitarian and educational foundations working for world peace & understanding.

The Paul Harris Society was established in 1998 and was officially approved by the Trustees of the Rotary Foundation in 2006. This is a special District Recognition program for Rotarians who wish to support the Rotary Foundation in a more substantial way each year.

The Paul Harris Society
