Subject: Rotary Foundation Seminar—Saturday, October 20, 2007, 8:30am-2:00pm

In just two short weeks your District 7150 Rotary Foundation Committee will present a training seminar to inform our membership about our Rotary Foundation's important functions and activities.

I hope every club will make this event important by sending at least one member, and more if possible, to attend this seminar.

To assist you and your club members to better understand The Rotary Foundation [TRF], and how your Club can benefit with community and international projects to help create a more peaceful world, your District TRFC has lined up an exciting Agenda.

This seminar is an excellent forum for current and incoming club leaders to build their knowledge of TRF, and for new members to gain a complete and meaningful understanding of our Rotary Foundation.

Our dynamic Rotary speakers, from outside our District, will share their expertise about what an amazing difference The Rotary Foundation is making in our communities and in the world. Our luncheon keynote speakers will leave you proud to be a Rotarian and a contributor to TRF.

An excellent time for you to learn more about our Foundation, why it's important to give, the benefits to you, and how you can get funding for your Club projects!

The seminar is to be held on Saturday, October 20, 2007 at Harts Hill Inn, Whitesboro, NY. A registration form is included for your convenience. Additional information and these documents can also be found on the Foundation page of our website at: <http://www.rotarydistrict7150.org/foundationSeminar.htm>

Please include this timely information in your upcoming meeting announcements and in your Club newsletter. Thank you.
