

ROTARY INTERNATIONAL

Best Cooperative Projects Award

— GUIDELINES —

This award honors Rotary clubs that have successfully cooperated with non-Rotary organizations.

Award Criteria

The project must have been undertaken in collaboration with a non-Rotary organization. Projects undertaken in collaboration only with other Rotary clubs will not be considered. However, projects undertaken by multiple Rotary clubs in cooperation with other non-Rotary organizations are eligible.

- The project must have been a service activity that addresses a humanitarian need. Projects that were designed to promote a fundraiser are not eligible.
- Those projects that required active involvement of Rotarians will be given priority.
- The project must have been well established during the 12 months prior to 15 March.

Nomination Procedure for Rotary Club

- Review the award guidelines.
- Complete the nomination form. Attach an additional page if necessary.
- Attach supplemental materials (photos, videos, DVDs, CDs, PowerPoint presentations, reports, newspaper clippings, etc.) that will enhance the nomination entry.
- Submit the nomination form and additional materials to your district governor by 15 March. Please note that incomplete nomination forms or project descriptions will not be considered.

Nomination Procedure for District Governor

Each district can submit up to **five** nominations.

- Review the nomination form and project description from the club(s).
- As appropriate, endorse the nomination form(s).
- Send the nomination form(s) and project description(s) to RI headquarters in Evanston (see address on the nomination form). These materials must be received no later than 15 April.

Additional Information

Certificates will be mailed to the district governor of the club(s) selected for the award by 15 May. Requests for notification or mailings earlier than 15 May cannot be accepted.

If you have questions, contact RI External Relations via e-mail (ers@rotary.org) or fax (+1-847-866-8237).
