Carpool and make a day of it.
Your club and YOU will be better because you attended.

District Assembly is the annual meeting of the club members within the district.

This is an annual training event for Rotarians, which prepares them for their responsibilities and assignments during the upcoming Rotary year. Attendance is not required but is strongly recommended for all club leaders including board members and committee chairs and club members as well. The assembly is open to all Rotarians and is FREE (there will be Morning refreshments and a FREE lunch - it just costs you the time to participate in the day of training.) History shown that clubs, which have a "significant" percentage of their members, participating in the annual Assembly tend to be highly effective Rotary clubs with regular growth, above average attendance, and outstanding participation in all club activities.

Register TODAY to attend the District Assembly --- Remember it is **COMPLETELY FREE** (including lunch)! Don't miss this once in a year opportunity to be inspired, learn more and take home information that will help your club THRIVE!

Registration Deadline is Friday, April 23, 2010. After that NO LUNCH
