SPRING IS IN THE AIR

DG PJ's Messages

by ... DG PJ Scott, Eastwood RC.

I am sure all of us have our favorite time of the year. Springtime is mine! The wintry earth awakes bringing forth beautiful green grass, flowers and trees.

Spring is a time when we begin to plan in earnest for the new Rotary year. About 225 Rotarians from four districts gathered on March 11-12 in Syracuse for the President-Elect Training Seminar (PETS) to share ideas, experiences, and best practices to insure a smooth transition in leadership from this Rotary year to the next. The beauty of Rotary is there is no such thing as a "dress rehearsal" as the leadership changes each year. DGE Jim Gascon and his leadership team enthusiastically rolled out the agenda for 2011-2012 to a stellar class of incoming Presidents. There is no doubt that with their leadership, District 7150 will continue to be in good hands. Our district can be proud of our past leadership who played a large part in PETS. Past District Governors Larry Calabrese (District Trainer), Jerry Gortner, Ward Vuillemot and Joe McCarthy shared their knowledge and expertise as discussion leaders.

As Robin Williams has said, "Spring is nature's way of saying, Let's party!" After months of planning, we will soon be and heading south to our District Conference at the Hilton Hotel and Conference Center in Scranton, PA on May 13-15. Our District Conference Co-Chairs, Stan Rubenstein, Bob Batley and Jenny Doane have put their heart and soul into planning a memorable weekend for those attending. The inbound GSE team from District 1280 in Northwest UK will be there! It's not too late to for "Getting an Board" for the celebration in Scranton "The Electric City".

We've completed nine months of our Rotary Year and we only have three months left to complete the many great projects and events planned. April is "Magazine Month" and is a reminder of the wealth of information about all of the diverse activities of Rotarians, Rotary Clubs and Districts, and Rotary leaders around the world. This gold mine comes into our homes each month and is full of nuggets of "Service Above Self" ideas from Rotarians as they attempt to "Building Communities and Bridging Continents" in the lives of others. STOP! TAKE TIME to read "The Rotarian" Rotary's Magazine. You will be glad you did! Do you think if you read *The Rotarian* every month you'd become richer? You betcha!

Coming Events:

- The GSE Team from District 1280 in England will arrive on May 7 and will be coming to a club in your Area. Don't miss the opportunity to meet and greet these young professionals as they travel around the District May 7 to June 4.
- Saturday, June 4, 2009 will be Rotary District 7150 District Assembly at Vernon-Verona-Sherrill High School, Verona, NY. Check the website for details.
- The 47th Annual District 7150 Changing of the Guard will be held at Dibbles Inn, Vernon, NY on June 30, 2011. Check the website for details.

Rotary Leadership Institute

What is the Rotary Leadership Institute of Northeast America?

The Rotary Leadership Institute of Northeast America includes the original area where the RLI was founded in 1992. It now includes 28 districts in the northeastern part of the USA and Bermuda. The RLI is a recommended unofficial affiliate of Rotary International, but not an official program of R. I. nor under its control.

Clubs and districts looking to train Rotarians as leaders at local levels can now access online a wide array of resources developed by the RLI. The institute offers a training program in three full-day sessions, followed by graduate seminars. Since 2000 our district has had 311 Rotarians take advantage of RLI with 119 graduates and 16 becoming faculty that have facilitated in many of the 28 districts in the North Eastern Americas that make up our RLI Division.

Giving back to the Community

B'Ville Rotary's Senior Luncheon

by ... Ann Smiley, Baldwinsville RC

Each year the Baldwinsville Rotary Club hosts a FREE luncheon for seniors as a way of thanking them for all they have done in our community. It is typically a Christmas luncheon with a wonderful turkey dinner and all the fix'ns. This year under the chairmanship of club member Lizzy Flinn-Brown, it was planned for December....unfortunately the weather man had other plans and because of a snow storm, it was cancelled or should I say postponed. Our committee regrouped and after looking at a bunch of options chose to re-schedule and have a St. Patty's Day luncheon, with ham, cabbage, potatoes, veggies, bread and cake.

The date was March 16th, location was St. Elizabeth Ann Seton Church hall and the scene was festive and fun! The table set up crew was delighted to find that most of it was done when they got there by the wonderful staff, who have always been cooperative and a delight to work with. While you might think it was an easy task from there, it was anything but. The line at the door kept coming and coming, with approximately 240 sit down diners served and 60 homebound deliveries made.

Each year we have the pleasure of being entertained by our DJ - Joe Trionfero (who the seniors love and it's no surprise) treating us to a variety of music for all to enjoy. New this year was the addition of the Durgee Junior High Girls Chorus performing a number of songs for all to enjoy. As the clean up began, so did the "Kudos" from the seniors. With all hands on deck by club members it was a successful event

and we are thankful for their continued support. We also would like to thank some folks from Syracuse Home who help each year and also our own District Governor, who served meals and desserts and emptied trash ... no job too small - thanks PJ.

It won't be long before we will be planning for next year's event, but in the meantime we will be doing a bunch of fundraising to help pay for it - so if you are free on the first Wednesday of April and May, join us for a spaghetti dinner at the First United Methodist Church from 5pm - 7pm ... it's a great meal at a great value.

Currently, plans are underway for our Annual Seneca River Days - keep your eye out for more details and for Duck Tickets!

Past Gov's-Rep. and AG

Jim Dorris, is mourned

by ... Ward Vuillemot, PDG

James R. Dorris, 87 of Skaneateles, passed away peacefully on March 24th at home. Jim joined the Skaneateles Rotary club on March 10, 1988 and was sponsored by his close, long time friend, Bob Feldmann, who preceded Jim in death just a short few weeks ago.

Jim served as club's president in the 92-93 Rotary year, and held many positions in the club over the years, including a member of the Board of Directors for a number of years. He was also very active in the Rotary District level as the Governor's Representative, and later as Assistant governor for the eight clubs that made up the south west corner of district 7150. He was always there when there was a job to be done; regardless of the size of the task. Jim supported Rotary's international projects through his generous contributions to The Rotary Foundation, and had just reached the Paul Harris Fellow, plus three, level just a few weeks ago.

In the Rotary tradition of fellowship friends are invited to one of Jim's favorite places The Sherwood Inn on Sunday April 10th from 1 to 3:30 pm.

Professor John Weeks**A Life of Preserving our Environment***by ... Bill Grossman, PDG, Marcellus RC.*

Tom Brown introduced former member and President John Weeks who has spent much of his career developing nature centers including Beaver Lake and Baltimore Woods. John spoke on the development of Rogers Environmental Education Center in Sherburne. He has also been President of the Rotary Clubs of Sherburne and Baldwinsville.

John was a tenured professor at Oswego State when he applied for and got the appointment to develop the Rogers Environmental Education Center in Sherburne. It was a cut in pay, but came with a 14 room house free with all utilities paid. Each of his

children had a room of his/her own. He started transforming the Rogers Game Farm into a top notch environmental and educational settlement. John stayed eight years and moved on to Beaver Lake. He says his strength is as the idea person, not the administrator.

Some of the things that he was able to accomplish included development of the 10 ponds and a marshy area, new trails, bridges and walkways throughout the area. There were two prisons in neighboring communities and the inmates could work on state land, so he had lots of inmate help in these projects. He was able to get local highway departments to help him build twice as much parking as the state was willing to build and it was overfull every weekend.

John worked hard to stretch his budget. All their wood came from state lands, so he could use his budget for the hardware, etc. He had some wonderful common sense too. When the state designed an observation tower, he pointed out how the thing would tip over in a wind, but if they built the stairs as outriggers, the stairs would stabilize the whole thing.

When they pushed him to put the parking at one building, he convinced them it would be better to have it in another spot that would get people moving through the whole facility. This picture is of the Visitor Center.

One time, they built a slab for a pavilion with restrooms. They had requested funds for it a number of times and been turned down. One day a higher-up official from the state visited and asked what it was for. John explained and the man suggested John apply for a "rehab" grant which was granted. It provided the money to build the shelter, kitchen and restrooms. (If you are working with the government, it helps to be shrewd.)

Thanks, John, for an excellent program. Unfortunately, Rogers is one of the state facilities that is now closed because of state budget struggles. (Editorial aside: As one who believes that those of us who have a little more can afford to pay a little more, I think it is criminal to cut taxes on "wealthier" people so that we have to cut excellent programs like this that serve the "ordinary" people.)

RI Membership Development**Pilot programs provide opportunity for club innovation***from ... RI Membership Minute, March/April 2011*

Would your club like more flexibility in determining its membership requirements? Or perhaps you'd like to try different meeting logistics, but didn't think you could because your ideas would violate the Standard Rotary Club Constitution or Recommended Rotary Club Bylaws. Maybe you've always wondered how corporate membership might benefit your club, only to find out that it isn't allowed.

Now is your club's opportunity to test new models of Rotary club membership by participating in one of four innovative pilot programs authorized by the RI Board of Directors. The programs will begin 1 July and run through 30 June 2014.

The four programs are:

- **Corporate member:** Allows a corporation or company in the club's area to become a member of the Rotary club, appointing up to four individuals to attend club meetings, serve on projects, and participate in other ways.
- **Associate member:** Creates the category of associate member to allow prospective Rotarians to become acquainted with your club, its members, its programs and projects, and the expectations of club membership, with the intent of becoming an active member within a designated period of time.
- **Satellite club:** Allows clubs to conduct multiple meetings during a week, each taking place at a different location, day, or time.
- **Innovative and flexible Rotary club:** Allows clubs to self-determine their operations to better fit the needs of their members and community.

If one of these programs sounds like something your club would like to try, submit an application by 15 April (extended from 1 April). Clubs do not need district approval to participate, although they must agree to the terms of participation. Clubs may participate in only one pilot program.

Application at: http://www.rotary.org/RIdocuments/en_pdf/pilot_programs_club_application_form_en.pdf

Terms of Participation at: http://www.rotary.org/RIdocuments/en_pdf/pilot_programs_terms_of_participation_en.pdf

GROUP STUDY EXCHANGE**MEET THE BRITISH GSE TEAM**

by Tom Collins, GSE co-Chair

The British GSE Team from Rotary District 1280 (Northwest England and the Isle of Man) will arrive May 7 to begin their month-long vocational and cultural visit with District 7150.

The team is led by Rotarian Tony Beckett, a member of the Rotary Club of Irlam since 2004. Tony is a Police Officer with 27 years of service. He currently serves with the Greater Manchester Police. As a teenager, Tony developed a love of outdoor pursuits such as camping, fell walking, and mountain climbing. Above all, though, sailing is his passion. For more than 25 years he has run his own youth group aimed at children aged 11-18 years and equips them with the skills needed to pass the National levels of Competency in Dinghy sailing.

A firm believer in "Service before Self", Tony is convinced that he was a Rotarian long before he ever heard of the club! He feels privileged to be the leader of such a dedicated and professional team.

Doctor Sarah Blaney is sponsored by the Rotary Club of Ramsey. She has dual specialties in Geriatric Medicine and General Internal Medicine and has been a member of the Royal College of Physicians (London) since 2009. She has an interest in health care in developing countries stemming from a medical student elective in Nepal. During the next stage of her career she plans to pursue further opportunities to spend vocational time abroad.

Sarah is a musician who plays the French Horn. Her lasting appreciation of classical music has led to her being elected musical director for Liverpool Medical Students Society in her final year at University. She has also learned to conduct and has coordinated a production of Gilbert & Sullivan's operetta "The Pirates of Penzance"

Sarah developed a love of the outdoors early in life. She maintains a healthy work-life balance through tennis, running, and swimming. While working on the Isle of Man, Sarah enjoys the pleasures of horse riding and coastal walks.

Team Member Victoria Watterson is sponsored by the Rotary Club of Rushton and Western Man. Victoria is a Registered General Nurse trained on the Isle of Man where she earned her Diplomat between 2006 and 2009. She is now studying for her BSc. She has been working at a local specialist palliative care unit for nearly three years, supporting patients with cancer and other chronic debilitating diseases.

The field of palliative care is an unusual one for a person of such a young age, but Victoria is passionate about her work. As an example, she spent four weeks of her vacation last year working with a charity providing palliative care in rural India. She now provides updates to her contacts in India and hopes to return to work there one day.

Victoria is 25 years old and was born and raised in the Isle of Man. Living on an island, she has the sea in her blood. She spent many of her teenage years help-

ing with the work of a shark and whale research charity founded by her father. She enjoys running, cycling, horse riding, skiing, and spending time with friends and family.

Team Member Karen Skinner is sponsored by the Rotary Club of Douglas. She is a Registered Nurse working at Nobles (Isle of Man) Hospital in the Operating Department. After 3 years of training, she joined the Perioperative Team in 2003. In 2006 she became the Perioperative/Theatre Team Leader. She currently specializes in Ophthalmic, Maxilla Facial, and Ear Nose and Throat surgery.

Karen, too, was born and raised on the Isle of Man and is very proud of her Manx roots. When not working, she keeps fit by walking, running, mountain biking, and swimming. During 2010 she entered and completed two half-marathons to raise funds on behalf of the Cystic Fibrosis Trust. Hopefully, more will follow!

Team Member Louise Dowle is sponsored by the Rotary Club of Bolton. She is 32 years old and was born and raised in Bolton near Manchester. She graduated from Kings College (London) and has been qualified as a Registered Nurse for 11 years. She is currently working as a Nutrition Specialist Nurse at Wrightington, Wigan, and Leigh NHS Foundation Trust. As a Nutrition Specialist Nurse, Louise works with many different professionals within the hospital including gastroenterologists, dietitians, speech and language therapists, and pharmacists. A large portion of her job involves the education of nursing staff, patients, and relatives on a variety of feeding methods.

Louise enjoys hill and mountain walking, particularly in the Lake District, cooking, reading, and keeping fit through jogging and gym work. She derives a lot of pleasure from playing her clarinet. She is delighted to be taking part in the GSE between Districts 1280 and 7150 and is looking forward to sharing practice and learning about a different healthcare setting and culture.

District Assembly is the annual meeting of the club members within the district.

Saturday, June 4th, 9am to 2pm, VVS Vernon, NY

This is an annual training event for Rotarians, which prepares them for their responsibilities and assignments during the upcoming Rotary year. Attendance is not required but is strongly recommended for all club leaders including board members, committee chairs, and club members as well. *The assembly is open to all Rotarians and is FREE (there will be morning refreshments and a FREE lunch — it just costs you the time to participate in the day of training.)* History shown that clubs, which have a "significant" percentage of their members participating in the annual Assembly tend to be highly effective Rotary clubs with regular growth, above average attendance, and outstanding participation in all club activities.

Rotary International so far has raised \$163.4 million dollars as of March 29th 2011 towards the \$200 million dollar challenge given by the Bill and Malinda Gates Foundation. We need to raise \$36.6 million by June 30, 2012 to reach our goal. I would like to see our District raise \$25,000 by June 30th 2011 which will put us up to \$150,000 level.

Comparative figures on polio as to where we stand as of March 30th, 2011

Total cases	Yr to Date 2011	Yr to Date 2010	Total in 2010
Globally	67	51	1274
in endemic countries	24	39	232
non endemic countries	43	12	1062

Total cases	Yr to Date 2011	Yr to Date 2010	Total in 2010
Pakistan	20	41	144
India	1	1	42
Nigeria	2	1	21
Afghanistan	1	1	25
Tajikistan	0	0	458

Back in 2008 Dr. Margaret Chan, director-general of the World Health Organization, announced during a press conference at the 2008 RI Convention that polio eradication is now WHO top priority.

Polio Plus is the most ambitious program in Rotary's history. It is the volunteer arm of the global partnership dedicated to eradicating polio.

For more than 25 years, Rotary has led the private sector in the global effort to rid the world of this crippling disease. We need that extra push to get us over the top. I again ask that the clubs in our district to make Polio Eradication their top priority.

Rotary International

Rotary International is the world's first service club organization, with more than 1.2 million members in 33,000 clubs worldwide. Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto Service Above Self.

Creating a Culture of Peace

Creating a Culture of Peace (CCP) is a nationwide program for community-based peacemaking. The innovative design of CCP provides a holistic and practical foundation in spiritually-grounded active nonviolence. Participants come to recognize their own power for making personal and social changes without violence and improve their skills for respectful engagement with opponents, instead of confrontation that polarizes and demonizes.

The Canastota Rotary Club offers this opportunity for the Basic Training in Nonviolence in conjunction with Creating a Culture of Peace in an effort to address issues of violence in and around our community. This three day (20 hour) training will be held at the First Baptist Church, 304 S. Peterboro Street, Canastota on May 13-15, 2011.

Thanks to a Rotary District Simplified Grant the cost of this workshop will be only \$25 to be paid with your registration. Lunch and supper will be provided on Friday and Saturday.

You will receive a schedule two weeks before the event.

Directions:

From NYS Thruway

Turn left off of Exit 34 onto Peterboro Street. Go one mile, Baptist Church is on the left.

From US Route 5
