How to Use This Directory

The District Directory is published annually for the information of all Rotarians of the District. Rotarians should not use the District Directory as a commercial mailing list, or make it possible for anyone else to use it for that purpose. The first section of this book contains names and clubs of the Rotarians who serve in District positions or on various District committees, listed alphabetically. Detailed information on everyone in this section is provided in the Alphabetical Listing section. Club information and listings of presidents and secretaries are found in the Club Information and Officers section. The district calendar of events can be found in the back of the directory. All phone numbers are in area code 315 unless otherwise specified. Note: RC = Rotary Club

The Four-Way Test

of the things we think, say, or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

2008 District Conference

Friday, Sept. 12 – Sunday Sept. 14, 2008

EdgeWood
R E S O R T

Alexandria Bay, New York

Join us next year as District 7150's annual conference moves north into the Adirondacks. Bring the whole family to the Edgewood Resort in Alexandria Bay for what promises to be a high energy weekend full of fun and the great Rotary fellowship that this District has become famous for.

The Edgewood lies in the heart of the Thousand Islands, on the shores of the St. Lawrence River, and has been undergoing a major renovation. It is easily accessible via route 81 north. "It is a place steeped in tradition, where one comes to rest, to play, to rediscover the child in oneself." The rooms at the resort don't just overlook the St. Lawrence; many are right on the water with individual balconies offering incredible views. The resort offers an in-ground pool, a fitness room, marina, beach, and nature trails. Our weekend will kick off Friday evening with an outdoor BBQ on the decks of the Riverfront Café, overlooking the St. Lawrence. Saturday afternoon will offer the opportunity to explore the area, including golf, boat tours, hot air ballooning, tours of Bolt Castle, charter fishing, the antique boat museum, and much more.

So come join your Rotary family for a great fall weekend in the North Country. As District Governor Elect Larry likes to say: *"If you can...you should! I hope to see you all in Alexandria Bay next September."*

Advance Registration forms are available at the 2007 Conference, or by emailing one of the following:

- DGE **Larry Calabrese**, ltclar@adelphia.net
- 2008 Conference Chairs:
