How to Use This Directory

The District 7150 Directory is published annually for the information of all Rotarians of the District. Rotarians should not use the District Directory as a commercial mailing list, or make it possible for anyone else to use it for that purpose.

The first section of this book contains names and clubs of the Rotarians who serve in District positions or on various District committees, listed alphabetically. Detailed information on everyone in this section is provided in the Alphabetical Listing section. Club information and listings of presidents and secretaries are found in the Club Information and Officers section. The district calendar of events can be found in the back of the directory.

All phone numbers are in area code 315 unless otherwise specified.

NotE: RC = Rotary Club

IMMEDIATE PAST DISTRICT GOVERNOR **District 7150, 2004 - 2005**

James Austin

(Jim)

Tully RC

New York, U.S.A.

District 7150

Jim has lived in New York all of his life and has roots in the Tully area going back to the early 1800's when his great grandfather settled in what is now the Community House at Highland Forest. He graduated from Tully High School in 1969. It took Jim sixteen years to earn his Bachelor of Science Degree from Rochester Institute of Technology, majoring in Business Management/ Computer Science. In 1989 he earned his Master of Divinity degree and was ordained as an American Baptist Pastor.

Those sixteen years it took Jim to earn his bachelor's degree were not spent just slowly earning his degree. Jim worked in various industries as a sales manager, inventory control manager, and purchasing agent. He also served both his church and community as a youth group leader, lay speaker, Boy Scout Master and committee chairman of both civic and church groups and boards. Jim considers his four greatest events during those years his marriage to Joanie, births of sons Philip and David, and his calling into Pastoral Ministry.

Jim and Joanie have been married for 29+ years and today live in the home that Jim grew up in as a boy in Tully. They met while attending separate Universities in Rochester. Jim continues to serve as Pastor of the Delphi Falls United Church and Joanie works for Cazenovia College as the Assistant Director of Admissions. The Delphi Falls United Church is a part time ministry, which allows Jim the opportunity to be a bi-vocational pastor. Jim owns a computer business named "Reved Up Computers", which builds new systems, repairs sick computers and upgrades those that aren't meeting current requirements. Jim is a licensed Microsoft Distributor and OEM builder. Jim volunteers at two nursing homes in Cortland as a Bible study facilitator and is an on call chaplain at the University/Crouse -Irving-Memorial Hospital chaplain's staff. Jim also helps organize a large annual youth retreat for American Baptist Churches in the Southern Tier of New York State.

Jim joined the Rotary Club of Dundee in District 7120 in 1988. In 1991, after moving back into the area, he joined the Rotary Club of Tully. Since joining the Tully Club he has served the club as secretary, Foundation, and International Chair, and newsletter editor. He served the club for two terms of President in 1993-94 and 1997-98. His first District position was Governor's Rep and then the First District New Generations Chairman. Jim has the distinction of serving as our District Governor for the Bicentennial Year of Rotary.
