**Food Pantry** - Tuesday February 11th is the next Food Pantry Day.

**Community Event Suggestion** - Snowfest Event. We continued discussing ideas including organizing a committee for next year. Bill, Doug, Dave and John R. have all expressed interest in participating. Coincidentally, Marcellus was holding a similar event this past weekend so Ron was going to try and visit it. Some associated ideas including having a logo design contest earlier in year with winner's design printed on buttons or other items. Also have contests for competing ice sculpture teams and broomball teams. Another new idea was snow golf. Once the scope of the event is ironed-out, consider how to involve other groups or sponsors such as the chamber of commerce or a snowmobile club. Consider having a raffle with some donated gifts and an attractive grand prize like a snowmobile or a least a nice snow-blower. Work with the Rec center to assure the event will coincide with a junior hockey tournament or figure skating event and hopefully a swim meet too.

## **A Rotary Prayer**

Dear God of all people, We gather as Rotarians and friends- - remembering the words of Dr. Martin Luther King, Junior- whose memory we honor this week. "Darkness cannot drive out darkness", he said. "Only light can do that!" With the **light** of Rotary- we continue to illuminate the struggle for human rights- throughout the world! Through Rotary- we **Sow the Seeds of Love** – to choke out the weeds of discrimination and inequality. May we remember to sow these seeds in our own communities- as well-- to build goodwill and better friendships. Amen
