From DG Jim's Desk

We are soon approaching our half way mark in this our centennial year of Rotary. September marked our Centennial Conference and October brought with it a special visit from our International President, Glenn Estess. For some years this might be enough but in our Centennial Celebration Year, we have just begun. You ask, "What is on our Rotary Horizon?" Below are some of the remaining events.

**January-February-Mid Winter Meetings**

Mid winter Centennial Celebrations and meeting within each area. Check you AG for the event and time nearest you.

**March- Birthday and Bell**

Birthday Party of Rotary and Centennial Bell celebration will usher in our spring of the Centennial Year. To make life a little easier on these Upstate New York Roads and allow the areas to enjoy their own mid-winter celebrations, we are not going back to the On Center for the Birthday Party in February and suggesting that clubs and areas create their own special events on February 23rd. Instead we are hoping to combine the birthday party of Rotary with the special visit to our district of the official Centennial Bell. The Syracuse Rotary Club (Charter club #42) is hosting this special bell and looking into the possibility of a combined District wide event that will be a Centennial Celebration to remember. Date, time and venue is yet to be determined. The Syracuse Rotary Club will host it and PDG John Luchsinger will be the Chairman of this event. See your December Credo for more information.

**April- District Assembly and RLI**

We are going to a new venue for our training events beginning this April. The Mohawk valley Community College offers many great resources that will enhance our training experience and this year RLI is offering a facilitator training course for those that would like to become faculty for future institutes. We will also have the opportunity to see where Rotary has set their sites for in the next century of service

**May- The Centennial Foundation Banquet**

We will honor 100 years of Rotarians and their service around the world. We will recognize those that have supported the Foundation with time, talents and treasures. There will be special recognitions and surprises at this event as we look beyond polio to other

Merry  
Christmas

Happy  
Chanukah

projects, task forces and communities for serving others above ourselves.

**Editor's Note:**

Decembers Credo will be delivered the last week of December. Because of all the holiday events please try to get your submissions in early. The 20th is a great target date.

**June- A special international visit and hand off to the next century**

We will be honored to have a return visit of Past International President Bhichai Rattakul. The Rome Rotary Club will be hosting Bhichai and my prayer is that this time we can give him the final payment of our polio pledge.

We then have our Centennial Convention in Chicago beginning on June 18th which will mark the largest Rotary Celebration in our history.

We will then finish the year at the Rusty Rail where we will hand off the gavels to the next century of Rotary and celebrate a year marked by many great celebrations.

So let the celebrations continue as we celebrate with family and friends during the Holiday Season.

**A Prayer Reminder**

We continue to file our application for an International Prayer Fellowship and we welcome all to join us at the Crossroads Church in Cazenovia. We will meet the first Sunday of each month at 4:00 PM.

You can send your prayer concerns to DG Jim.

May you be blessed the final days of 2004- DG Jim

**Rotary Leadership Institute Facilitator Training coming to District 7150**

If you have completed Part III of the the RLI training, and are interested in lending your time and talent to the RLI as a facilitator, there will be an opportunity coming in April. We have just received confirmation that a Facilitator training course will be offered on April 9th, 2005, at the D7150 RLI to be held in Utica, MVCC.

As a facilitator, your obligation will be that you facilitate at 3 or 4 sessions in Zones 31-32 (North Eastern USA) within each Rotary year. You will be responsible for your own travel, hotel and other expenses as a facilitator. RLI breakfast and lunches are supplied at no cost. You must participate in the facilitator training and have completed the RLI three parts to qualify as a trainer.

It's a wonderful experience, you'll meet some wonderful Rotarians and it is lots of fun.

Please let D7150 RLI Chair, Ward Vuillemot [[wardtv37@mac.com](mailto:wardtv37@mac.com)] know if you are interested and can make the commitment.

## Eradication of Polio Nears

We are now in the final lap in our Polio Eradication Campaign. Our District Polio Campaign Commitment as you know is to raise \$330,000 spanning the last 3 Rotary years. For our District to achieve this very ambitious Polio Eradication Commitment Goal, each Club in our District must respond as promised back in 2002. The attached October - Period to Date Polio Summary Report lists each Club and their Original Commitment and Total Campaign Contributions received through October 2004.

With 31,000+ Rotary Clubs in the World also in the final lap of the Campaign, the Rotary Foundation Polio Campaign Headquarters has requested each Club strive to complete in full their Commitment in the month of April of next year or sooner. To process all the entries coming from Clubs/Districts all over the world is going to be an enormous task that will need our help if our Club Commitments are to be processed this Rotary Year.

Please meet with your Club Leadership and Members to review the attached Summary and discuss the request from the Rotary Foundation Polio Headquarters to complete in full your Clubs Commitment before the end of April or sooner. We will need the support from all the Clubs in our District if we are to keep our \$330,000 Polio Commitment and have all our donations collected & processed in time.

Your generosity has been outstanding in this World Wide Humanitarian Rotary Campaign to Eradicate Polio. Thank you. April will be upon us before we know it as our busy lives makes time pass so quickly. Please set a Club finish line goal of fulfilling your Polio Campaign Promise in the month of April 2005 or sooner.

Thank you one and all for staying with this task as we approach our 100-year Anniversary. We can all take pride in knowing we are making history together. [See Report](#)

Ed Paparella, PDGDistrict Polio Eradication Campaign Chairperson

## AMBASSADORIAL SCHOLAR APPROVED

The Districts selection of the next Foundation Ambassadorial Scholar has been approved by the Trustees of the Foundation.

He is **BENJAMIN ZOGBY** who was proposed by the **Utica Rotary Club**. He is a graduate of Georgetown University and currently working as a researcher and writer for a congressman in Washington, DC. He also attended the University of Virginia and SUNY Albany. His hometown is New Hartford.

Ben speaks Arabic and Spanish and has traveled throughout the Middle East .

The Foundation has assigned him to attend the American University of Beirut, Lebanon. He will be leaving sometime after the 1st of July, 2005 and will spend an academic year at the University. His scholarship funding is from the District 7150 SHARE portion of the contributions made to the Rotary Foundation three years ago.

We wish him well.

Bob Batley, District Chair of the Scholarship Sub Committee

## Another in the series of reports from our student in Thailand. Shared by the DeWitt Rotary

Hey,

November 2, 2004

I know I'm still walking the road to fluency, but I can say I have become fluent with money. That became apparent when I found myself turning down a bracelet that was twenty baht saying it was too expensive only later realizing it was only fifty cents. Also, when I thought that 700 baht was way too expensive to pay for a nice dinner at a fancy tourist resort. I still think it is too expensive, even though it would probably be the same price, if not more, in America.

It only takes five days to help a community, make close friendships and become even more grateful of the things you have. I spent these five days in the countryside outside of Nakorn. I went with about 150 students from the University in Hat Yai. We slept on the floor in the classrooms of a six-room school and spent the week building a library about the size of my kitchen. We were split into groups and rotated through various activities. Sometimes we were cooking, sometimes cleaning the bathrooms, sometimes talking with the community, but most of the time we were hauling loads of concrete or mud to the boys who were doing the actual building. On my shift for cooking it was decided

that we were going to have fish. However, we were in the middle of the country and there wasn't exactly a supermarket just around the corner. No problem, we just went "fishing."

"Fishing" entailed wading in knee-deep mud and waist deep water to the place where we had to untangle countless fish from the net. It was much harder than it looks, and I admit I wasn't very good at it. It didn't help that I felt bad for the fish when we had no choice but to rip their scales off and they peed in fright. My next shift was cleaning the bathrooms and I have to say that was unlike any bathroom cleaning experiences I have had in America. Perhaps this was because there were squat toilets and the "showers" were large community tubs of water. You wore something that resembled a very long skirt but worn much higher and bathed under/over it. It worked and was more efficient because many people were about to "shower" together. On one of my outings to the community we took a side trip to a snake farm. This man

basically teased the hundred cobras he had (a few at a time). We were standing near watching him when all of a sudden he dropped it on the ground at our feet. What were we to do but shriek and run hand in hand to safety?

As a last farewell there was a show of Thai dancing and acting put on by the students. About five minutes before it was to begin I was told I was going to perform, then it was too muddy, so I didn't have to. Phew, that was close! We got home tired and satisfied.

Halloween morning I happened to be at one of the exchange student's houses. We knew we couldn't just forget about it, so we dressed up and went to the other exchange student's house. Our only transportation was a tuk tuk, so we rode across the city in the open back of the truck. I thought people looked at me a lot when I wasn't dressed up; on Halloween I discovered I was wrong! Our treat was an unripe mango, but we didn't mind. The day ended with lots of laughs.

Love, me

P.S. I also learned that you could play the flute with your nose. Apparently it's not too hard because I watched a bunch of guys do it.

Thank you to the Dewitt Club for sharing these experiences with us. If you club would like to share Exchange Student experiences please email them to [paul@pauljnelson.com](mailto:paul@pauljnelson.com)

## Upcoming and Holiday Happenings

**The Syracuse Rotary Club** would be happy to have visitors from other clubs attend and help with the children by sitting with them.

**Coming Up On Friday, December 10 12:00 Noon Luncheon at Drumlins Country Club**

One of the memorable meetings of the Rotary Year is the Annual Holiday Party for Special Needs Children from the Syracuse City Schools

This had been a tradition for many years and in the last few years the tradition has been revived under the leadership of Rotarians Pat Spadafora and Al Falcone , Mary Lou Thompson, with input from the teachers, chooses, purchases, and wraps, individually selected gifts for each child, which Rob Rothman, our Kosher Santa, with the assistance of his many Rotarian Elves presents directly to every child in attendance. This is a "do-not-miss" Program

Regards, Frank <http://home.twcny.rr.com/frank/press.html>

**Syracuse Inner City Rotary Club** extends an invitation to District 7150 Rotarians, Family, Friends and club guest speakers to a Christmas Party Celebration.

**Where:** Drumlins Country Club, Dewitt New York

**When:** December 12, 2004

**Time:** 2:00PM - 6:00PM

**Cost:** \$30/per person- RSVP by Dec. 3rd to Billy Denman @ (315)727-9670 or Carolyn Haughton 470-3300 ext.56. Please plan to join SICRC in a relaxed atmosphere with good music, a tasty menu and cash bar. Directions provided as per request.

**Marcellus Rotary** has a **Christmas Tree Sale** at 31 North Street in the village of Marcellus on December 3,4, and 5, selling freshly cut white spruce for \$22 each (6-8 ft. tall).

**The Fulton Rotary Club** is hosting the four club **Fulton-Oswego Christmas Party** this year. Fulton Noon, Fulton Sunrise, Oswego Noon and Oswego Sunrise will join together for a joint Christmas Party at 6 PM on **Tuesday, December 14, 2004 at the Battle Island Golf Course Club House**. The Fulton-Oswego Rotary Clubs Christmas Party has been an annual tradition for over forty years.

**Sherrill Rotary Club's 50th Anniversary Celebration January 13, 2005!**

Please join the Sherrill Rotary Club in celebrating our 50th Anniversary at Dibbles Inn in Vernon on Thursday, January 13, 2005! Social hour will be at 6pm, Dinner at 7pm, followed by a terrific program you will not want to miss!

**Tickets are \$20 and go on sale December 2nd.** Tickets can be purchased from any Sherrill Rotarian or by contacting Colleen Bennett, Sherrill Rotary President, at 315-363-6446. We would be honored if you would join us in our 50th celebration!

**Skaneateles WinterFest 2005 January 29th!** Skaneateles Sunrise Rotary Club will host & coordinate WinterFest 2005, centered at Skaneateles Community Center. Activities will include: Snow & Ice Sculpture Contests, Dog Sled & Snowmobile Rides, Children's' Activities (Face Painting, Balloon Figures & Caricatures). There will also be a Chili Cook Off contest, which Rotarians may wish to enter. SSRC spearheads the mid-winter celebration primarily as a service project for our local community. Net proceeds from related fundraising will go to support Rotary service projects and charitable causes, e.g. Rotary Youth Exchange, Rotary International Group Study Exchange, Skaneateles Conservation Area Pavilion, Polio Eradication, and Literacy. If you wish further information, contact **John Paddock (685-9511)** or **Dave Labourdette (685-8384)**.

**Benefit Raffle - Skaneateles Sunrise Rotary Club Community Service Projects**

**GRAND PRIZE - 2005 POLARIS SNOWMOBILE - \$5,500 VALUE!**

2nd Prize - Skaneateles Community Center Household Olympic Membership (Transferable) - \$685 Value!

3rd Prize - Mobil Gas Card - \$100 Value!

Chances: 1 - \$5 3 - \$10 8 - \$20 Contact 685-9511 for tickets

***Drawing 9 PM Saturday, January 29th @ Skaneateles WinterFest Celebration***

It is my pleasure to advise you the Gift of Vision Committee is quite active and requests your clubs participation in the following projects.

Our first Gift of Vision recipient, Nene Koroma, has suffered a medical setback. Her cornea transplant has rejected. Dr. Erick Roth in Dakar, Senegal, has agreed to conduct a replacement cornea transplant. We will be supplying Dr. Roth with a fresh cornea purchased from the C.N.Y. Eye Bank.

**Gift of  
Vision**

The C.N.Y. Eye Bank will also supply a second cornea so that Dr. Eric Roth can perform transplant surgery on another patient, Ndiakhate Mbaye. He is a young man suffering from kerataconus. Enclosed you will find a photograph of Ndiakhate.

The Gift of Vision Committee has also agreed to assist a local doctor, Dr. Michael Geiss, with the costs associated

with cataract surgery for a needy patient he has. His patient is a working mother who has a daughter in college and neither qualifies for Medicaid nor has health insurance. The committee felt charity begins at home and would not pass up the opportunity to assist Dr. Geiss in rendering medical services to this worthy individual.

Finally, we have received an urgent request from Professor Wade of the University Hospital in Dakar. He advised that the hospital desperately requires fluorescein drug. This is a medication used to diagnose and treat blindness caused by diabetes. I believe it is called diabetic retinopathy. The Gift of Vision Committee desires to supply this drug to Professor Wade on an emergency basis.

As in the past, the Gift of Vision requests the assistance of the member clubs in the District. We request your club provide us with a monetary contribution of \$600.00. Please send the contribution to:

"Rotary District 7150 Gift of Vision"

c/o Harry Hood, Treasurer  
3210 Seneca Turnpike  
Canastota, New York 13032

Thank you all for the wonderful support you have given to this project over the years. Please feel free to contact me at JJG@ccf-law.com or (315) 422-1152 should you have any questions regarding these programs.

Yours in Rotary,  
James J. Gascon  
Gift of Vision Chair

# Dolgeville's Make A Difference Day Projects

Our club took on two events that Saturday...

1.) To do a work project to clear brush and debris from the local signs leading into the Villages three main entrances that showcase area church locations, organizations, etc. These signs due to the height of the ever growing trees/brush made it next to impossible to see.

2.) The second project we undertook was to try to raise some awareness of the plight of our local food pantry with regard to their food shortages. The pantry in Dolgeville serves

over 1000 families during the year. They received aid in years past totalling \$10,000, but has been cut to \$6000. However, the servicing needs of the community and surrounding area has increased.

While we only did the drive for a couple hours, we were able to raise approximately \$175.00 and had donations of over 110 food items. The Pantry was very appreciative of our efforts. Other businesses in the community have also taken up the cause (Not that we can take credit)...the school's elementary classes have gathered 25 cases of food, the Village has a collection set up in the Village Hall, the boy scouts do a drive. We were just proud to assist in the efforts to feed the needy, especially with the holiday season arriving soon.

For the record, for a small club, representation was good...We have 13 members, 2 school leaders were in Buffalo, two others were out of town on vacation. Of the remaining 9, 6 Hard working Rotarians worked the projects and were assisted by the Presidents spouse and two children of a past President. Below you will find pictures taken during the events. I'll list names of the volunteers, should you need them. The 1st 5 pictures are of the

"Road Crew", the last 4 are from the Food Drive.

Enjoy...Mark Stalnaker

EVERY  
ROTARIAN  
EVERY  
YEAR

MAKE YOUR GIFT COUNT

Fellow Rotarians of District 7150

As we finish November (Foundation Month) and enter the holiday season, take time to enjoy the opportunities that Rotary has offered to us

When I spoke to the many clubs in this district that invited me to do a presentation, several people told me that they were not really looking forward to a "Foundation" program. I am very pleased to tell you that every club I visited responded with a thank you for coming. I tried to show everyone that it is the Rotary Foundation that allows us to do the things we do. No, I did not dwell on asking you to increase your contributions. Your personnel desire to be a contributing part of what Rotary is doing in the world is sufficient motivation for what you give. All I did is to show and remind you of some of the fantastic things that happen around the world every day because of wonderful people like the Rotarians of district 7150.

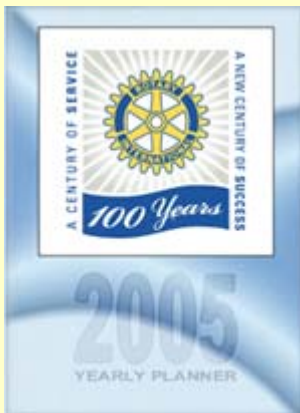

The greatest gift is giving. I want to thank each and every one of you for giving your money, your time and most importantly your heart to make this world a better place. Isn't it wonderful that Rotary serves as a way to do what we can, when we can.

I am sure that you now realize the importance of giving and I trust you will continue to support the Rotary Foundation so these outstanding programs can continue throughout the world. Thank you also for responding to PDG Ed Paperella's request to fulfill your club commitments on the polio eradication program.

Happy Holidays and "Thank You" once again,  
Michael J. Miers, Sr. District 7150 Rotary Foundation Chairman 2004 - 2005
