

Skaneateles Sunrise Rotary Club - May 19th. Bill Lynn provided a superb presentation on Adirondack Mountain Climbing, recalling his more memorable experiences in the harsh winter environment. Though inspiring and challenging, I'm not sure he found many willing followers for his next wilderness trek.

This Week - May 26th @ Skaneateles Community Center. Toni Feldmann has program lead; our guest speaker Carrie Schultz will discuss the Leukemia Lymphoma Society. Our brief business meeting will focus on Centennial Project wrap-up, Golf Outing, Lawn Tractor fundraiser & RYE. SRC Rotarian Lee Overstrom will also join us to discuss Father's Day Pancake Breakfast plans & ticket sales.

Next Food Pantry - Tuesday, June 14th. Please sign up ASAP with Daryle Pickering, put it on your calendar, and be there at 11:45! Please make an effort to assist with this ongoing project; more helping hands make this a much smoother operation, even if only for an hour's time.

Centennial Project - Skaneateles Conservation Area Pavilion. The roof is on and it's looking great! According to Dick Kokosa, we will definitely be within the budget of \$15,000 and possibly as low as \$12,000. The roof sheathing is finished as well as most of the metal roofing on the upper roof. The joint committee is considering finishing minor work the weekend of June 4th then celebrate. Here's the project, courtesy Ward Vuillemot http://homepage.mac.com/wardtv37/Wards_Rotary/PhotoAlbum11.html

Spring Lawn Tractor Fundraiser. Rich Berman is spearheading this important project - the John Deere L100 Lawn Tractor drawing planned for Father's Day and has tickets available to distribute. Let's make this fundraising effort a resounding success!

SSRC Second Annual Golf Outing. Pat Taylor will provide status. This, too, is an important fundraising component for this Rotary Year. Form your foursomes and look forward to a great day at Camillus Country Club. We've distributed forms at meetings and electronically. Don't hesitate to contact Pat for information or help you might need.

Future SSRC Programs & Activities (location as indicated):

Meeting program leads assigned per Programs Schedule; Mike Clark coordinating. Please review schedule for your dates. When assigned lead for a specific date, please notify Mike as soon as you have lined up your speaker and program; if you have difficulty meeting the assignment, please let Mike know ASAP so we can discuss and perhaps facilitate a swap or alternate program.

- => **June 29th Friday evening - District Changing of the Guard, Rusty Rail, Canastota, NY**

Rotary Thought For the Week. June is Rotary Fellowships Month. *Rotary Fellowships should not be the best kept secret in Rotary, but they are! There are over 70 different Rotary Fellowships. Each Rotary Fellowship focuses on a specific vocational or recreational discipline. Fellowship is the foundation on which Rotary was built, and it is the source of Rotary's strength. Learn more about Rotary Fellowships at this helpful Web link: <http://www.rotaryfellowships.org/> John F. Paddock, SSRC President, 2004-05, 4 Wicklow Drive, Skaneateles, NY 13152*
