Points of Discussion.

- ?? **Curbstone Festival:** *Dave Laboradette* offered space in front of Smith-Barney during the Curbstone Festival., July 19-20. Since the Memorial Day Parade was cancelled, we still have water to sell and we could recruit new members as well.
Ward introduced information on a new program called "Share Your Life" which is an organ donor program. Members thought that this would be a great opportunity to present this to the community. We decided that we will include this along with water sales and a recruitment drive. Ward will bring materials and forms for training, July 18.
- ?? **Club Charter:** We think we have reached our charter number of 20. Ward, Rhett, John and Dick will meet Monday, June 9 at Johnny Angel's to complete the paperwork for the District. Elaine will check with The Lodge for availability for the Charter Dinner, September 19 or October 3.
- ?? **Centennial Project, 2005:** The Club needs to identify a project by the end of June. Discussion centered around working jointly with the evening club to move forward on a permanent Village entrance signage project. Perhaps include other organizations (Garden Club for plantings and annual care) to assist.
