District 7150 Club Number 26744

President: Dick Saulsbury (rsaulsbu@twcny.rr.com)

President Elect: Bill Moynihan (moytoy2@aol.com)

ecc: eleanor@dreamscape.com

August 15, 2002

SERVICE ABOVE SELF

The sixth meeting of the Rotary Year 2002-2003 was opened with the pledge of allegiance, song and prayer led by the Rev. Jim Austin.

A warm welcome to our ambassadorial student guest Ji Hyun Park from Korea, who is staying with the Perkins while she finds an apartment, car, and the other necessities to set up housekeeping on the campus. Dick Perkins will supply us with a list of some of the items she will need next week.

Dick Jean, prospective member was in attendance again today. We understand Dick has decided to become a member before he heads back to Florida this fall.

50/50 Drawing

Betsy Mazanek was holding the lucky ticket number. She drew the right suite, but the wrong card--a ten of spades.

Business Notes:

The new membership directory was passed around one more time for any corrections, additions, etc. We hope to have the revised edition to the membership next week.

Attendance Record. The record up through the August 8th meeting was passed around. President Dick Saulsbury again asked the membership to improve attendance. He asked those in attendance to follow up on our missing members to improve attendance.

November Trip.

Betsy Mazanek reports a drop in the count of attendees and has requested that if anyone is interested in attending this trip to Tony 'N Tinas Wedding, the weekend of November 2 and 3, please call her as the final reservations must be in by August 28.

Tully Community Fair - September 7

Dave Tabone passed around a sign up sheet for volunteers who can work the day of the fair.

Jim Austin has offered to handle the Polio Plus stickers for handout at the fair.

Garage Sale

September 21 and 22.

Every Wednesday evening between 6:00 pm and 7:00 pm volunteers are needed at Linda's house on Clinton Street to sort and tag the donated items for the sale.

Linda again reminded everyone that if you attend a garage sale, ask them to donate what is left to the Rotary Garage Sale. We can send someone to pick it up if they like. Call Hal Brown or Dick Saulsbury with the information. While the leftover items might not be important to the sponsor of the garage sale you are at, they do add to our stock and often times move out very quickly because of our pricing.

Ambassadorial Student

Dick Perkins introduced Ji Hyun Park of Korea, who gave a short speech. Her trip from Korea to Syracuse took about 24 hours, and it has taken her almost a week to get back into a routine with the time difference and to get rested up. She is a charming young lady with the grace and manners of the oriental world. She presented a gift to the Tully Rotary Club or two colorful hanging decorations, with examples of very fine embroidery work. Shown here is Club President Dick Saulsbury accepting the gift.

Breakfast Activities

Shown here is a random shot of members Hal Brown and Jim Austin during breakfast. Hal is busy checking paperwork and Jim has been updating the group regarding our Eradicate Polio program.

PRIDE OF WORKMANSHIP DINNER is scheduled for October 4, so mark your calendars now to attend. Also, encourage local employers to nominate one of “their best” employees for the honor. It is an opportunity for employers to thank that special employee publicly for his or her dedication to the job. All too often that “special employee” never received the acknowledgment of a job well done. This is an opportunity to let the community at large know of such employees.

Its a great program and deserves the full support of the Tully Rotary Club and the business community of Tully, LaFayette and Fabius.

Telephone Directory Update

At present we only have \$3500 actual cash towards the \$10,000 it costs to produce this directory.

We have many promises that “check is in the mail” but todate the mail hasn’t delivered. Follow up on anyone you talked to who said they were going to take an ad or who was even interested. We must get these in by the first of September to meet our dead-line date.

Samples of 16 generic pictures for the front cover of the new 2003 Directory were passed around and the picture of a farm tractor driving down a dirt road won hands down. It certainly exemplifies the Tully, LaFayette, Fabius area perfectly.

Erica Delvecchio’s Welcome Home Party

Linda McHerron reported it was an excellent gathering and Erica had many wonderful pictures of Japan to share with the group. It is our hope that she will be able to bring these pictures to one of our breakfast meetings to share with us.

Nomination for Rotary International President

After a short follow-up discussion, Hal Brown moved that the name of William Cadwallader be placed in nomination for President of Rotary Intranational by the Tully Rotary Club. The motion was seconded by Ray Cates. The motion was passed unanimously.

Rotary Foundation

Dick Perkins, Chairman of our Rotary Foundation Giving Committee reports that donations are slightly behind last year. Please remember to drop off your \$2.00 to Dick at each meeting when you sign in. Or, if you prefer your donation can be a monthly one.

Meals on Wheels

September 5 is open. If you can spare an hour and a half some Thursday to deliver Meals call Dick Perkins.

Jr. Achievement Orientation

Hal Brown, Dick Perkins and Dick Saulsbury will be attending. Dick is setting up a special session and will advise Hal and Dick Perkins of date and time.

District Governor Don Reese Visit

This visit to the Tully Club is scheduleld for September 19. Please mark your calendars now to attend. A 100% attendance turnout is to be strived for.

GSE Team Visit

Jim Austin announced that the date for the GSE Team district dinner is scheduled for October 4th, the same date as the Tully Club’s Pride of Workmanship dinner. Arrangements for representation at the GSE dinner will be set up.

Polio Plus Goals

The district total goal for this program is \$300,000. This breaks down to \$75.00 per member each year for the next three years. To put this figure into perspective, Jim Austin did some figuring and each member would have to give up rental of one video per month or one machine coke per week to meet this goal of \$75.00 per year. When put into this view, that’s not so very much to give up to eradicate Polio from the world. Polio leaves lasting effects on its victims. The giving up of a video per month or a coke per week would not even be remembered!

Board of Directors Meeting

Date: September 3. Mark your calendars now.
