

The Rotary Club of Auburn
P.O. Box 446
Auburn, NY 13021

April 2, 2001

Dear Sir or Madam:

The Auburn Rotary Club invites you to participate in a Pride of Workmanship Award Program currently sponsored by the Auburn Rotary Club.

Pride of Workmanship - the sense of responsibility to do a job well (do it once – do it well) is one of the greatest intangible benefits to our society.

As part of our campaign to encourage Pride of Workmanship and working through employers, we propose to recognize employees who deserve recognition as those who do the job once and do it well. This would be a person that goes beyond the call of duty and supports your business to the fullest.

We offer you this opportunity to nominate an employee who, in your opinion, displays the qualities worthy of our award. The selection of recipients by an impartial panel is based solely on the information contained on the enclosed nomination form. All approved nominees will receive their awards at a Pride of Workmanship Award Dinner hosted by the Auburn Rotary Club at the Holiday Inn, Auburn, NY on May 8, 2001 at 6:00 PM.

If this program appeals to you and you would like to nominate an employee for this award, please complete the enclosed nomination form and return it to Sharon Dilaj, % McQuay International, 4900 Technology Park Blvd, Auburn, NY 13021 no later than April 13, 2001. We will contact you with our decision regarding your nominee.

Please help us to help you encourage pride of workmanship in our community.

Very truly yours,

Sharon L. Dilaj,
Chairman, Vocational Services Committee
