September 20, 2001

Dear Rotarians, friends, colleagues:

As I write this letter, many of our countrymen and women, New York City neighbors, are missing. The tragedy and loss of human life is almost unbearable.

Right now, our primary goal is to help the families of victims during this time of horror and devastation.

Our thoughts and prayers are with everyone who has lost a loved one or friend in this unspeakable attack on the United States and our democracy. We have found strength in the extraordinary courage and bravery of the police, fire, rescue, and military personnel who continue to risk their lives to save others.

We have also been humbled by the willingness of so many others in NY and elsewhere to help out in any way possible. It is the great spirit of the American people that will help and insure that our way of life endures.

Rotary District 7150 has established a memorial fund, a 503C, to assist the families of our New York friends and the victims of the World Trade Center tragedy.

Donations may be mailed to The Rome Rotary Club Benevolent Fund, P. O. Box 4334, Rome, NY 13440 or sent by credit card payment on our secure shopping cart at www.rotarydistrict7150.org/support.htm

We welcome interested parties to visit our website for detailed information and listings of condolences and donors.

**Sincerely,
Ralph A. Froio
